

Delegation of Powers:

A set of financial and administrative powers are delegated to DG/NAIR by Railway Board as a separate chapter for the smooth operationalisation of the training related activities and decisive leadership at the Academy. These include powers for Stores & Transport Matters, Works Matters and Miscellaneous Matters. Railway Board indicates all the powers to DG/NAIR. Therefore, for the prioritization of issues and outcome oriented actions, certain powers are further re-delegated locally among subordinate authorities (Dy. Director General and Faculty Members/Officers) by DG/NAIR in consultation with the associate finance subject to regulations/instructions issued by Railway Board. The powers are revised/modified by Railway Board from time to time. The issued versions of such powers are available on the official website of Indian Railways
